## EDUCATION

**Vivekananda Institute of Professional Studies (VIPS-TC), GGSIPU**

Bachelor of Technology (Computer Science Engineering) | 2022 – 2026

## SKILLS

- Programming & Scripting: Java, C (basic), Data Structures & Algorithms
- Core Subjects: Operating Systems, Computer Networks (learning), Applied Mathematics, Physics Fundamentals
- Libraries & Frameworks: React.js (beginner), Node.js (basic exposure)
- Web Development: Basics of MERN stack, REST APIs (learning stage), Responsive Design
- Tools & Platforms: Git, GitHub, VS Code, npm, Cisco Packet Tracer
- Soft Skills: Teamwork, Problem-Solving, Communication, Adaptability, Discipline, Time Management

## PROJECTS

**Personal Portfolio Website** (React.js, HTML, CSS, JavaScript)

- Built a personal portfolio website using React.js to showcase projects, skills, and background.
- Designed a responsive UI with HTML & CSS for smooth cross-device experience.
- Used React Router for seamless navigation across multiple sections.
- Optimized website performance through structured code and clean UI design.

## CERTIFICATES & ACHIEVEMENTS

### Technical Certifications

- Data Structures & Algorithms & MERN Stack Training – AccioJob (4-week industry training) | 2024
- Getting Started with Cisco Packet Tracer – Cisco Networking Academy | Nov 2024
- Exploring Networking with Cisco Packet Tracer – Cisco Networking Academy | Nov 2024

### Sports Achievements (Cricket)

- Kamakhiya Cricket League T20 Cup 2025 – Represented Chandigarh Champions
- Aahvaan'23, Delhi Technological University (DTU) – Secured 2nd Position in Cricket
- Aahvaan'24, Delhi Technological University (DTU) – Secured 1st Position in Cricket
- Lakshya 2023 (VIPS) – Winner, Cricket Tournament
- Consistently represented institute and leagues in competitive cricket tournaments.
